Recommendation	<i>The purpose of the central consultation is for students to present the work they have completed since the beginning of the semester and to receive feedback from instructors who are not directly involved in their specific courses. It is happening once per semester for MA1 and MA2 animation students.</i>
----------------	--

Short description	<i>What are the key learnings and outputs? What happen at the course? Consultation about the individual works that the students did at the first half of the semester.</i>
